WRITING

For successful, fast-growing organizations, it can be a struggle to develop communications tools quickly, stay on brand, and effectively meet your objectives. Sometimes you don't have enough resources in-house to keep up with demand. This is where we can help.

TMS Interactive has a long history of helping organizations of all types and sizes address a broad range of communications needs—employee training or customer education material, marketing collateral, competitive sales tools, technical guides, and much more—delivered in a variety of formats, including print, online, interactive, and video.

Our experienced team works closely with yours, but we won't bog you down. Instead, we'll make your job easier, help you meet your communications objectives, and consistently impress you with service and results that go above and beyond.

## WRITING

### Speak their language

Our talented writers quickly come up to speed on any topic. We analyze your business and tailor communications to a wide range of target audiences. We can help with any writing task, whether that's communicating with students and staff, attracting new prospects, showing off your expertise, promoting a product or service, or getting technical.

**Give us rough content, and we'll turn it into crisp, clear prose**

At TMS, we don't just take pride in our work, we love what we do!

# Here's what our clients say about TMS

"I've worked with TMS for over ten years. During that time, I've found them to consistently deliver outstanding work for better than market prices. They understand the imaging and printing business and functions better than any other vendor and work as part of our team."

*Dave Lobato*  
HP Global Planning and Business Engagement Manager

"The TMS team is professional, reliable, and extremely creative. TMS exemplifies all the qualities I look for—from content development to collaborative partnership—and I am happy to recommend their work to everyone."

*David Lorenz*  
HP Product Manager

"The team at TMS is super responsive to our needs no matter how big or small. They have a very professional staff of writers and creative designers who always go the extra mile. I have worked with them since 2008 and they are an extension of our team."

*Tami Webster*  
HP Enterprise Software Marketing Manager

"Well done. You did a great job under trying circumstances to produce a video that will resonate with our workforce. You hit a bullseye with the content, quality and length of the message that I originally envisioned."

*Larry Simkins*  
The Washington Companies CEO

## Experience

With decades of experience developing communications for different markets and audiences, we know how to hit the target in a timely manner.

## Excellence

Collaboration is a huge part of our success. By leveraging the unique talents of each team member, we create the highest quality deliverables.

## Value

Our skill and speed add up to amazing results for our clients, who often tell us that our overall value far outshines our competitors.
